**Sub: Request for Summer Internship opportunity for our student.**

Respected Sir,

'SKN-Sinhgad Institute of Technology & Science' (SKNSITS) since its establishment has been involved in practicing teaching-learning methodologies of excellence to deliver quality engineering education. The institute is housed in a beautiful, fully residential campus of 125 acres on Pune-Mumbai expressway at Lonavala.

The Institute works on an activity plan evolved out of many years of experience and feedback of students. Academic discipline with space for individual innovations, emphasis on life skill development of students, 'willing to work' team of faculty members and initiative for industry interface have been salient features.

Invited talks from industry corporate, industrial visits, corporate teaching and collaborative projects are being undertaken. Industry based projects to students and exposure to Industrial culture through training, internship and Industrial visits is the inherent feature of activities at our Institute.

We assure you that any information or data collected by our student during the internship will be used for academic purpose only and shall be treated as confidential and our student will strictly observe the code of conduct while in your organization.

I request you to kindly consider our student for training at your organization.

Looking forward for your kind co-operation and a favorable reply at the earliest.

Thanking you,  
With kind regards,

**Dr. Sangeeta A. Tripathi**  
**Internship Coordinator**
